Keep in mind, this is only an estimate

Always refer to your school's financial aid offer for a final determination of financial aid available.

Your Student Aid Index (SAI)

Your SAI is an index number calculated using information provided on your FAFSA form. Your school uses your SAI to determine your federal student aid eligibility and to build your financial aid offer. Your SAI may change if you update or correct your FAFSA information or after verification (if your FAFSA form was selected for review). Once your updated FAFSA form is complete and fully processed, you'll receive a new FAFSA Submission Summary, which may include changes to your SAI and estimated federal student aid.
